Q PETS UNFLAVORED BioAbsorb™ Full Spectrum Hemp Oil for animals.

All the benefits of full spectrum hemp designed for our animal best friends.

The Q FUSE PETS Story

We love and care for the animals in our lives. If our companions don't feel well it can be challenging because they can't tell us what is wrong. But just like humans, most pets can benefit from a daily dose of high quality hemp oil. From stress and anxiety to recovery, hemp can help.

Every animal has a circulatory system. What many of us don't know, is that animals also have an endocannabinoid system. This system has a vast network of receptors that help animals maintain overall wellness. Q FUSE PETS may help improve the connections between these receptors to restore the balance nature intended.

Benefits:

- Soothing for stresses
- Enhances recovery from exercise
- Supports a sense of calm
- Promotes overall wellness
- Relaxing, not intoxicating: non-psychoactive, non-addictive, not a controlled substance

Features:

- 1500 mg BioAbsorb™ Full Spectrum Hemp Oil
- Industry-leading quality, safety & consistency
- Superior bioavailability
- Published quality testing results available
- Water soluble for better and faster absorption
- Sourced from food-grade quality farms
- High quality, USA grown hemp

Q PETS has BioAbsorb™ Full Spectrum Hemp Oil at 50 mg per 1 mL (about 40 drops) with a total of 1500 mg per bottle.

Other Ingredients: Water, Vegetable Stearate, Citric Acid, and Sodium Benzoate (to safely preserve).

Suggested Use: 1-2 drops for every 2 pounds (0.9kg) of body weight. E.g. 1-2 mL for 80 lb. (36 kg) animal. This is a minimum dosage recommendation. Increase slowly until desired result is achieved. May be used topically if necessary (apply to a hairless area).

Q FUSE PETS Full Spectrum Hemp Oil can be placed under tongue, on treat or added to meals.

Cautions: Keep out of reach of children. Do not use during pregnancy or lactation. This product is not intended to diagnose, treat, cure or prevent any disease and is not intended for human consumption.

Our Full Spectrum Hemp oil products contain natural occurring cannabinoids, terpenes and flavonoids, and meet or exceed all US and EU regulations for industrial hemp including THC content (<0.3% US; <0.2% EU).

Manufactured exclusively for:
Quintessential Biosciences, Inc.
365 Garden Grove Lane, Suite 200
Pleasant Grove, UT 84062
